# Security Surveillance Protection

Our security guards, canine teams/unit and Drone operators are highly trained, licensed, and experienced in handling various security situations. They undergo regular training to stay updated with the latest security protocols and techniques. Our canine teams provide a hi profiled, cost-effective method for screening people, locations and vehicles at scale, providing early detection of intruders, explosives, drugs and pyrotechnic devices.

The Task Force event officers provide festivals, stadiums, tournaments, charity events, private functions, with a SAFE, SECURE and PROTECTED environment allowing everybody to enjoy themselves whilst giving organisers peace of mind.

The Task Force fast response team provides round-the-clock monitoring services to ensure constant vigilance and immediate response to any security threats. Our state-of-the-art surveillance systems and skilled operators ensure the highest level of security.
